Design Thinking

PERSONAL PROFILE

I am a third year student at Purdue University studying Web Programming and Design with a minor in Spanish language. I have experience in web programming languages such as html, css, javascript, php, C#, C++ and ASP.NET framework. My abilities also extend to areas of graphic and visual design. I feel a strong push on my heart to pursue ministry as well. I am eager to apply my love for people and design in a work environment that offers opportunities for growth in areas within and outside of my comfort zone and current skills set.

OBJECTIVE

I am a motivated and dedicated individual seeking diverse opportunities to apply my web development, digital design, communication, organizational, ministry and leadership skills in an upbeat and exciting environment.
